HUSKY COMPANY PROFILE

PT Husky Asian Group is a leading distributor and retailer specializing in lifestyle products, particularly in the vaping industry. With a commitment to providing high-quality and **innovative products**, we have established a strong presence in the **Indonesian market**.

Our portfolio includes a range of **premium disposable vapes** designed to offer a seamless and satisfying vaping experience. Our team is dedicated to maintaining the **highest standards** in product quality, customer satisfaction, and innovative solutions to meet the ever-evolving demands of the market.

OBJECTIVE OF COLLABORATION

The primary objective of this partnership is to offer our **premium disposable vape products** to the **HORECABC** (Hotels, Restaurants, Cafes and Beach Club) sector on a consignment basis. By leveraging HORECABC's vast network, we aim to introduce a **popular lifestyle product** to a broader audience in a convenient and efficient way.

Key terms of the collaboration:

Product: Disposable vapes

Consignment terms: HORECABC outlets will hold and sell the products without upfront payments. Payments are only made for items sold.

MSRP : IDR 180,000 per unit

Other Benefits:

Marketing support including

- acrylic display
- roll up banner

Flexibility in product replenishment based on demand
